Hugmynd að notkun:

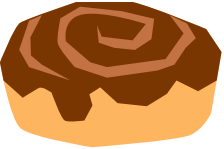

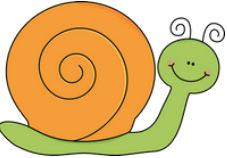

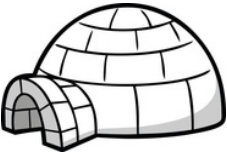

Hver þátttakandi fær töflutúss.

Við skiptumst á að kasta teningi og finna máhljóð sem passar við töluna á teningnum.

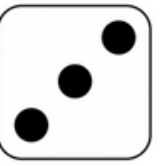

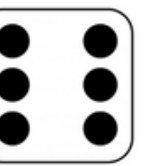

Þátttakandinn finnur svo orð sem passar við máhljóðið og merkir yfir myndina á blaðinu.

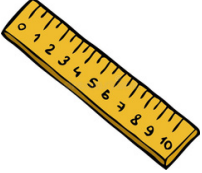

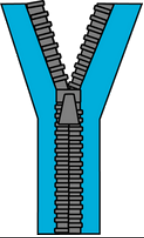

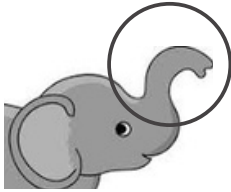

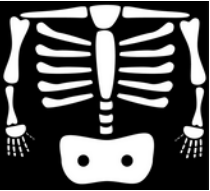

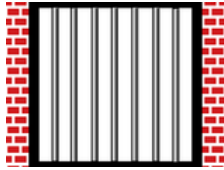

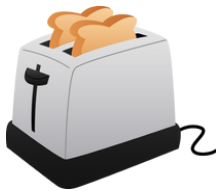

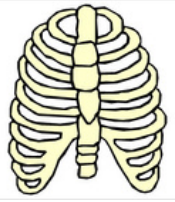

Einnig er hægt að láta þátttakendur skrifa orðið til að það festist enn frekar í minninu.
